## EDITORIAL

**August 2022**

Welcome to our August issue!

In the last month we've had the AGM for the Residents Association and have changed the meeting frequency down from monthly to quarterly to reflect the winding down of the organisation within the village (and it's replacement by the Community Association).

The next meeting for the Community Association (which produces this magazine) will be Tuesday 9th August at 19:30 in the Sports & Social Club if you would like to attend.

Next month we'll have an update from the Fête & Festival Committee regarding the recent village

fête and a larger update from the skatepark committee - space was more than a little tight this month!

If you are a member of a local group and you'd like to include some information in these pages please don't hesitate to get in touch - for non-profit groups within the village we can include something for free. And for other groups we have advertising rates that start at £8.25 a month for 1/8 of a page.

So until next month I hope you all enjoy your summer holiday - and hope that after the 40°C temperature we have no more records!

## Christian Aid Week 2022

A collection was made in Bar Hill in Christian Aid Week this year during the service held in

church on 15 May and also in a few roads. Partly because of the pandemic, it was not possible to recruit enough people to deliver and collect everywhere.

The total donated was £1,139.21. That is an encouraging result that is worth extra because of the generosity of the donors who completed Gift Aid declarations.

Thank you to all who were instrumental in raising this sum, which demonstrates our concern for those in need.

This year the emphasis was on refugees, but Christian Aid's involvement with a huge range of projects in the third world continues.

## NOTICES & LETTERS TO THE EDITOR

Please send your letters & notices to [bhn-editor@barhillca.org](mailto:bhn-editor@barhillca.org). Thank you!

Dear All,

You don't need me to tell you about the weather! It can be unbearable for us, I know that in the afternoon the sun will hit my garden shed full-on and I can only cope thanks to a fan that cools the back of my head! But our wildlife is not so fortunate ... and providing garden fans is not an ecologically sustainable solution!

In this heat the very best thing you can do is make sure there is a shallow dish (or three!) of water in your garden - and make sure you top it up before you go to bed. While food is obviously important - water is, right now, even more so - and it is much easier to provide. So please, if you do one thing to help hedgehogs (and other wildlife too), make it a water dish (or three).

Next on your list is shelter - but it is a bit late for now. Maybe consider how you could manage your garden with hedgehogs in mind - let a bit go wild, pile logs and other bits of wood in a corner - this will help to create a place for the day nest of a hedgehog.

Over the long nights of radio tracking it was clear how important these places can be - as the sun began to rise 'my' hogs would head to the base of a hedge, a pile of leaves, a tussock of grass and cover themselves up for their daytime snooze. In this weather it can be little more than just a few leaves hiding them - so PLEASE - do not be too tidy!

Hugh Warwick.

Dear Editor

Thank you for putting the link for the petition for a Vet Practice in Bar Hill in the BHN.

I feel that there must be many like me, who have a pet but can't get to a vet as I don't have a car nor drive.

A Vet Practice would greatly benefit Bar Hill, there is easy access to the village, especially from surrounding villages and would add to the many businesses here.

So if many residents would sign the petition, it could influence a company, for example, Pets at Home to come to the village

Yours sincerely,

Fran Baker,

The Spinney

PS. The petition is still available here;

<https://chng.it/zXD9L7mLBR>

Dear All,

Just a gentle reminder if you're cycling round the village to please use your bell!

Some people will be unable to hear people coming up behind them and either using the bell or calling out when approaching a corner will reduce accidents.

Thank you,

[Name & Address Withheld]

Are you part of a local group? Do you have any local news? We'd love to hear from you!! Please drop us an email [bhn-editor@barhillca.org](mailto:bhn-editor@barhillca.org) to be included in a future issue.

Dear Residents,

In the July BHN I advised that two friends and myself were walking Offas Dyke (on the English Welsh border) to raise money in support of the Ukranian refugee appeal. This is to let you know that we have now successfully completed the walk and so far have raised a total in excess of £1000. All of us would like to say a big thank you to those who have donated to this worthy cause but to also let people know that the Just Giving page will be open until mid August for those of you who may still wish to contribute:

Thank you.

## BAR HILL WARD - DISTRICT COUNCILLOR'S REPORT

I have heard from the County Council about the gyratory bridge problems, that they have spoken with colleagues and the soil samples are scheduled for lab analysis. They should report back in about 4 weeks, that was received on 11th July so we have to wait for any results.

### CENSUS 2021

### Government support for the cost of living: Managing debt and factsheet

There may be some residents unable to access these websites, please contact me if you need any help:

The government understands the pressures people are facing with the cost of living. The government's MoneyHelper has free information and resources to help individuals manage their money in uncertain times and how to keep up with essential bills and payments. If individuals are worried about debt, speaking to a trained and experienced debt adviser about the situation could help them decide what to do. HM Treasury has published a summary of the range of support available to help businesses and consumers with the cost of living.

Councils are encouraged to share this information as appropriate.

### Hate crime

Hate crime comes in many different forms and strikes at the heart of communities. With your help, we can tackle those responsible for hate crime and keep our communities safe. Police are here and ready to help anyone who has been affected by someone else's prejudice, ignorance or violence. I am sharing these messages to help raise awareness of how to report a hate crime.

By reporting hate crime, you may be able to prevent it from happening again. Suggested social media posts:

Hate crimes and hate incidents in any form are not acceptable and must be reported. Report a hate crime online at [www.report-it.org.uk](http://www.report-it.org.uk) or by downloading the Self Evident Police reporting app. Alternatively, in a non-emergency, dial 101.

If you spot a hate crime on public transport, call **0800 40 50 40** or text **61016**. Alternatively, report hate crime anonymously by calling Crimestoppers on **0800 555 111**.

The police don't tolerate hate crime - why should you?

Sunday morning services can also be attended via Zoom: meeting id 882 9761 3899, password: 284740. (The meeting has a waiting room, so we recommend joining several minutes early.)

## Children's activities

On the first and third Sundays of the month, children have their own activities. Start in church, then shortly after the service begins the children and their leaders depart to the Octagon. The service on the second Sunday of the month usually follows an 'all together' format and all the children remain in the church. (For 14 August, bring your pets too!) On fourth Sundays we are trying an 'intergenerational' format, aimed at all ages, when only the under-8s have separate activities.

## CAMBRIDGESHIRE COUNTY COUNCILLOR'S REPORT

There are a few major issues I am working on with other parties to support the village. First of all, I have long been concerned about the derelict buildings left behind from the A14 project. Along with the 800,000 trees that were planted as part of the A14 project, 70% of which have died, National Highways has work to do to fix problems of their making in our area. I continue to press both National Highways and the County Council highways department to consider solutions to the problems of derelict buildings, and particularly to canvass residents for their views on what should happen to the space. The ownership of the land presents some complex challenges as it includes 'ransom strips' but we have to start somewhere or nothing will change.

I am very conscious of the problems caused by people who have camped out on land where they should not go, and am encouraging the County's officers to work with the Parish Council to consider solutions that make it much more difficult for people to access land to which they (in their vehicles) do not have the right of way. It is important to consider these issues carefully.

Finally, there are a number of paths in Bar Hill which have over time become in need of repair. Uneven and pitted paths present great difficulty – and even danger – for some pedestrians and those using wheelchairs. I am working with the County Council officers and the Parish Council to establish the responsibilities for these paths, and work through the Council's maintenance programme, to identify whether there are some areas that

cannot wait for their turn for resurfacing.

As I write this it is incredibly hot and is a sad reminder that the climate emergency is real and we need to continue making investments in alternative sources of energy, and in public transport. The cost of living crisis is a real worry and will affect almost everyone, with a very uncertain future ahead. There are so many reasons to be concerned for the future. But please do feel you can contact me if I can help and in the mean time please do enjoy the summer if you can.

## Primary School

Sports Day – On the 1st July, we had a brilliant morning completing 11 carousel activities to gain points for our house teams. These activities were standing long jump, egg and spoon race, cricket bowl, football dribble, ladder run, javelin, obstacle course, hurdles, hockey dribble, sack race and beanbag toss. It was lovely to see the older children helping and encouraging the younger children. Everyone worked brilliantly in their teams.

Afterwards, the fastest 4 girls and boys from each year group took part in a running race. A huge well done to our fastest runners who received certificates in our whole school assembly.

The children were very supportive and encouraging to children from Bar Hill Pre-School and Buttercups Nursery who also competed in running races. This was a lovely experience for those children who will be joining our school in September.

We can't forget to mention the parent races which were extremely competitive and enjoyed by all! Thank you to the Mums and Dads who took part!

Results were shared with the children in

our whole school assembly. There was only a 30 point difference between 1st and 2nd place! Congratulations Foxes.

Summer Fayre returns! On the 24th June, it was lovely to see so many people back together again having fun and enjoying themselves. We are delighted to announce that we raised £1100.00. Special thanks to our parent helper, George who ran a very successful BBQ, we had lots of lovely feedback about the food so thank you George.

Children from Year 3 & 4 did an amazing job visiting Caldecote to take part in the South Cambs School Sports partnership cricket event. After playing four round robin games, the children came out with big smiles on their faces which grew even bigger when they were awarded certificates and t-shirts as they were nominated for the 'Spirit of the Games' award for kindness to each other and others, and for being a supportive team no matter the score. Well done to everyone involved.

### Bar Hill Church Knit & Natter

We are now regularly meeting again in The Octagon from 1.15 pm on Thursday until 3.00 p.m. It has been lovely to welcome back our established members as well as welcoming some new ones. All are welcome.

As a well established group, we enjoy our knitting and definitely enjoy nattering.

Part of our afternoon's programme now includes some much needed

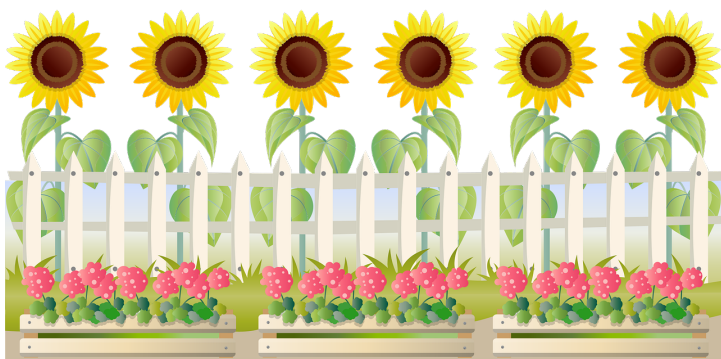

stretching and strengthening exercises aptly led by Wendy and then there is always the tea and cake!

We continue to knit for any charity that requires our out-put and mostly baby clothes and blankets which are needed by several organisations. We are always very grateful for donations of wool to complete our garments and projects and I would be pleased to collect any wool you can spare, or bring it along and meet us all.

We have recently enjoyed a Jubilee Party together and offered Her Majesty the Queen a toast of grateful thanks for her outstanding reign of service. An enjoyable time was had by all.

This group is right for anyone who wants to make new friends and find out more about what is going on in the village and to be included in events as they happen. You will be most welcome to join us.

## Bar Hill Village Hall

The Hall was first built in 1978 for use by the residents of the village as a social centre; a place to meet and to hold educational and recreational classes for the community. This founding principle is the corner-stone of the Village Hall's life today, with hundreds of members of the local community using the buildings every week, including a number of regular hirers based both within the village and the surrounding area.

### Facilities and Governance

The site has undergone various small extensions and a complete rebuild over the years to continually improve the facilities such as the provision of WiFi.

The large Main Hall has multi-purpose vinyl flooring, making it flexible for all types of events. There is a kitchen alongside the Hall with a serving hatch, making it useful for self-catering at parties, discos and the like. The licensed bar can be booked on request and will be serviced by the Sports and Social Club. The Hall opens out onto a large patio area that is ideal for external activities or a spill-over for internal events and has two bolted gates that lead off the premises.

There is also a small Meeting Room, with its own independent access and great for meetings of up to 10 people.

The Village Hall is a UK-registered charity (number 1002579) and run by a committee of trustees who are committed to the on-going development of the Village Hall's role as a key community facility.

To make a booking, please visit our web site **[barhillvillagehall.com](http://barhillvillagehall.com)** and then email **[enquiries@barhillvillagehall.com](mailto:enquiries@barhillvillagehall.com)** to confirm arrangements.

Alternatively, call **01954 782414** and leave a message. We aim to return calls within 24hours (Monday to Friday).

## Bar Hill Girlguiding

Girlguiding is the largest girl-only organisation for girls in the UK. Through fun, friendship, challenge and adventure we empower girls to find their voice, inspiring them to discover the best in themselves and to make a positive difference in their community. All sections go on sleepovers and residential holidays, doing crafts, cooking, canoeing, rock climbing and other adventurous activities.

All the Girlguiding units have had a great summer term, enjoying getting out and about on day trips and sleeping in unusual places. Girls have visited the Raptor Centre, Colchester Zoo, Shepreth wildlife park, Milton country park, Hinchingsbrooke country park, Stibbington Centre and the Jarman Centre, Newmarket! We will be celebrating achievements and awards at the the end of term and saying goodbye to the older girls as they leave Rainbows or Brownies and move onto their next unit. During August the leaders will take a well-earned break and then we will look forward to welcoming new girls into their units in September.

If you would like more information about Girlguiding in Bar Hill District, please don't hesitate to contact me ([di.gunton@outlook.com](mailto:di.gunton@outlook.com)) or look on the Girlguiding website:

## Helping Hedgehogs in August.

Now the youngsters become independent of the mothers and wander off on their own adventures. As hedgehogs live solitary lives they are unlikely to encounter their siblings again. There is a peak in numbers of road deaths as independent young hedgehogs can travel up to 2 km a night. Make sure there are access points to both your garden and neighbours garden.

The opening hours for Bar Hill Library are:

**Monday, Wednesday:** 10 – 5pm

**Tuesday:** 2 – 5pm

## Bar Hill Cricket Club

Well, we waited a while for a league win and then two came along at once!

Visitors Milton were bowled out for just 40 in the first of those, with four wickets for Jamil Haque and three for Jacob Marshall-Grint. Bar Hill made slightly hard work of the target but reached it with five wickets down.

The next match saw an outstanding all-round effort spearheaded by Adam Dean as Bar Hill won at Steeple Morden.

The host team scored a challenging 234 for 5, but Jim Neal's 61 gave Bar Hill a good platform and Dean blasted a superb 122 not out to steer Bar Hill to 235 for 9 with more than two overs to spare.

Dean scored another 83 runs in the next match away to Cottenham, which was the only other match in the last month. Jim Neal fell for 49 as Bar Hill reached 217 for 6, just short of the target of 226 set by the hosts.

It was brilliant to be back at the village fete and thanks to the organisers for a super job and to all those who visited our barbecue. Your support is much appreciated as, like all other organisations, we aim to build back stronger after the pandemic restrictions.

Keep an eye on our website at [barhillcricket.org.uk](http://barhillcricket.org.uk) or on our Facebook page for the latest information.

August's home fixtures:

## Staff Sickness

Maple surgery has unfortunately been hit hard with staff sickness during June with Covid being the main culprit. We still have 3 members of staff off at the time of writing this. Apologies for any last minute cancellations that have had to be made and for any delays in answering your telephone calls. Thank you for your patience and understanding, we hope to be back to full strength soon.

## Missed Appointments

Following on from my report of missed appointments last month, I am happy to report an improvement with 7 hours 10 minutes of nursing time missed and 30 minutes of GP time missed in June due to non-attendance. If you are not able to attend an appointment we would really appreciate it if you can ring to cancel your appointment as this could then be offered to another patient.

## Patient Survey

We are looking at sending out a patient survey to all patients of the surgery to see what you are happy with and what we can

improve on the surgery. We are just finalising the questions and this should be out with you within the next month. We would encourage as many patients as possible to take part in the survey. Your feedback is very important to us and allows us to see what we can do to meet the needs of our patients better.

## Care Quality Commission Inspection

We have now had our CQC inspection at Maple and I am pleased to report that we have been awarded a 'good' rating. Thank you to all our patients who took part in the CQC survey that was on our website and also the Patient Participation Group for their feedback to the Inspector. We will continue to work hard to offer our patients the best patient centred care that we can.

## **Heatwave And Very Hot Weather**

Most of us welcome hot weather, but when it's too hot for too long, there are health risks. In England there are on average 2000 heat related deaths every year. If hot weather hits this summer, make sure it does not harm you or anyone you know.

### **Why Is A Heatwave A Problem?**

The main risks posed by a heatwave are:

- not drinking enough water
- overheating, which can make symptoms worse for people who already have problems with their heart or breathing
- heat exhaustion and heatstroke

### **Who's most at risk?**

A heatwave can affect anyone, but the most vulnerable people are:

- older people – especially those over 75
- those who live alone or in a care home
- people who have a serious or long term illness – including heart or lung conditions, diabetes, kidney disease, Parkinson's disease or some mental health conditions
- those who may find it hard to keep cool – babies and the very young, the bed bound, those with drug or alcohol addictions or with Alzheimer's disease
- people who spend a lot of time outside or in hot places – those who live in a top floor flat, the homeless or those whose jobs are outside

The top ways for staying safe when the heat arrives are to:

- look out for others, especially older

people, young children and babies and those with underlying health conditions

- close curtains on rooms that face the sun to keep indoor spaces cooler and remember it may be cooler outdoors than indoors
- drink plenty of water as sugary, alcoholic and caffeinated drinks can make you more dehydrated
- never leave anyone in a closed, parked vehicle, especially infants, young children or animals
- try to keep out of the sun around noon
- take care and follow local safety advice, if you are going into water to cool down
- walk in the shade, apply sunscreen and wear a hat, if you have to go out
- avoid physical exertion in the hottest parts of the day
- wear light, loose fitting cotton clothes
- make sure you take water with you if you are travelling

Please visit: <https://www.nhs.uk> and look for how to cope in hot weather.

### **Carers Meeting**

If you are a carer for someone and need advice and financial or emotional support, please come along to our carers support meeting on Weds 3rd August at Willingham Surgery, where we will be holding a drop in meeting between 2pm and 4pm. Please come along and get some support from other people in the local community. Refreshments provided, no need to pre-book and completely FREE!

Meetings are held on the first Wednesday of every month at Willingham Surgery. Please contact Sue Lawson at the surgery or email her at [susan.lawson7@nhs.net](mailto:susan.lawson7@nhs.net) for more information.

## Helping our pollinators in our garden and outside space.

The RHS is extremely concerned about pollinator declines and is encouraging us to continue to support these vital insects now more than ever. There are many factors causing these declines, including the lack of flowering plants, loss of nesting sites and other habitats, as well as climate change, pests and diseases. Much of this has been linked to modern farming practices and other land use changes.

We can help by growing a rich diversity of plants. How we tend them is critical to support a wide range of pollinators. There can be more pollinators in our nation's gardens, outside space than in surrounding agricultural land. There is though ALWAYS space for more pollinators. After all we cannot live without them.

Sadly all too often we pull up 'weeds' and they are incredibly important for our insects. Many of which certain insects rely on to lay eggs. One such beautiful plant is the mullein. They are tall with yellow flowers. The mullein moth will be making the most of them. If we can resist the temptation to pull them up until at least later in the year, we will be helping birds and many pollinators survive as this wonderful plant provides both food and shelter.

Allowing lawn 'weeds' to flower by mowing less often provides valuable extra resources from areas that are often free of flowering plants.

Provide water for pollinators. Bees and other pollinators sometimes need to drink; having a shallow margin of a pond or a shallow dish filled with stones or marbles filled with water will provide a safe source of water.

Sir David Attenborough recently urged people to put a spoonful of sugar and water out for the bees.

They are often tired at this time of year and don't have the energy to return to their hives. The sugar and water will help revive them. As we are all aware they are in serious decline. If we lost our bees, humanity will be gone within four years.

**The Beautiful Mullein**

In July, we sadly said goodbye to our 'school leavers'. We have had lots of fun together, but now it is time for them to continue their educational journey at school. We will miss you all but we are all so proud of all your achievements. We also said goodbye to Clare, whom we thank her for her many years of service and wish her all the best in her future.

As you all may know, the end of the term was quite warm. Luckily, we have a lovely, shady garden we could safely play in. Water play was always a firm interest among the children, as well as digging and our all-time favourite, the mud kitchen.

We are very grateful to a friend of the Preschool who made us some wooden planters that have become our 'Preschool caterpillar'. We are growing tomatoes, strawberries, lettuce and some flowers.

Are you interested in finding out more and booking a place for your child? Contact [enquiries@barhillpreschool.co.uk](mailto:enquiries@barhillpreschool.co.uk) or call **01954 782892**. You could also visit our website [www.barhillpreschool.co.uk](http://www.barhillpreschool.co.uk) for an enrolment form.

Children are offered places from the age of two years old. We are open 9am-3pm in term time.

Goodbye & good luck

## BAR HILL SKATEPARK

This month's update is a more than a little rushed - we had the School and Village Fêtes where we met people and discussed our current plans for the village.

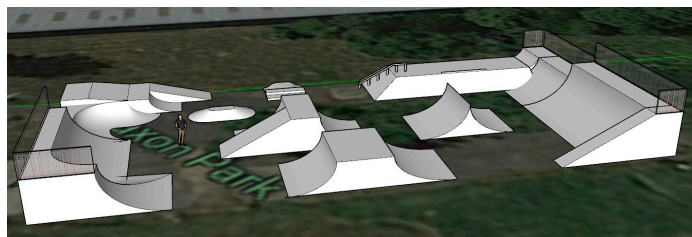

The results will be published next month but I'm sure I won't be spoiling anything when I say that there was very broad support from those attending for the development of a park and some very useful points were raised on who the park would be best aimed at.

Dave Wright and Anthony Mitchell (our Chair and Vice Chair at the School Fête);

In other news this month work on planning for the skatepark and talking to contractors continued. Over the next couple of months we'll begin talking to contractors to get some accurate prices.

More updates will follow!

Would you like to be involved??

## Olive Tree Bereavement Group

Our next meeting for members will be on held on Saturday 13th August 2022 at 11.00a.m. This meeting will be held at Chris Stannard's 7 Acorn Avenue, (781978). The first hour will be for Bereavement Care followed by a shared BBQ.

The following month the meeting will be on Saturday 10th September at 10.30a.m. in the Octagon as usual.

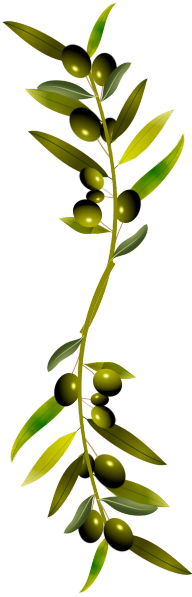

We will be pleased to see you if you are a regular member, a new member or if you have never been before.

We are conscious that summer is now slowly coming to an end, and with the evenings drawing in. You may still find it difficult to cope with, an extra feeling of isolation and loneliness. If this is you perhaps you will come along and meet people experiencing this too?

This is a very welcoming group where you can talk quite freely and your confidence will be respected. There will be time to share your experiences, listen and have discussion as well as getting to know others in the group, with time for refreshments too.

If you are wondering whether the group is right for you, please phone one of us to talk about it.

The leaders, who are CRUSE Trained, and members of the group will offer a warm welcome and you will be in the presence of people who have been through loss and understand the particular pain and difficulties that this brings.

I am delighted to be able to show you all the new Memorial Garden Bench that you so kindly contributed to. We are so grateful.

The last appeal for volunteers has produced five more lovely individuals. Should you wish to join us then contact Chris below.

Unfortunately, many of you may have noticed the deterioration in the sleepers on the exterior of the two flower beds. We plan to replace these in due course. However, this is going to be very expensive. It is hoped to replace with oak sleepers which will last longer. We have looked at Recycled Plastic but as yet they seem more expensive. A provisional estimate is £2500 for materials alone. As soon as we know a more accurate cost, we will issue an appeal.

Should you wish to place a Memorial Plaque then contact Chris Stannard on **01954 781978** or **07711 623425**. Email **c.e.stannard1@gmail.com**
